

“ Our mission is to help promote, represent, and support locally owned small businesses and organizations.”

Coffee & Cocktails with MC is a registered 501(c)(3) Non-Profit.

Mary Catherine (MC) Derin has a professional background hosting networking events for businesses and organizations in and around Anne Arundel County. Recognizing the difficulty that some have promoting themselves, MC established the Non-Profit, “Coffee & Cocktails with MC”. This allows MC to provide organizational and promotional assistance in hosting a fun and casual networking event at their location. We understand how word-of-mouth and simple exposure can help to inform the community about these hard working, passionate business owners. We schedule at least two networking events monthly. These events are free to the attendees.

Our services include promoting the event Online, prior to and following the event. Our Facebook page has more than 1,000 followers. We also advise the hosting business owner in preparing for their event and we arrange for other businesses to donate items to be given as door prizes. The Host of each event gives a presentation promoting themselves. Also, non-hosting Sponsors in attendance will be introduced to the group. We can accommodate either morning or early evening events.

We are asking for your help in the form of Sponsorships. When you support Coffee & Cocktails with MC, and our mission, you help us to continue to grow and expand the ways that we can support small businesses.

Thank you so much and remember when possible, Shop Local ~ Support Small Business.
